The screenshot displays the '课程列表' (Course List) page in the EduMatrix system. The interface includes a dark sidebar on the left with navigation options like '课程管理' (Course Management) and '课程列表' (Course List). The main content area features a table with columns for course name, cover image, knowledge map, document count, instructor, creation time, and actions. A search bar and '+ 新增' (Add) button are at the top. The table lists four courses: '机电一体化' (Mechatronics), '智能制造' (Smart Manufacturing), 'PLC编程' (PLC Programming), and '电工电子' (Electrical Electronics). Each course entry includes a checkbox, a thumbnail image, a knowledge map icon, a document count, the instructor '巨能软件', and a creation timestamp. Action buttons for '编辑' (Edit), '知识库' (Knowledge Base), '章节管理' (Chapter Management), and '删除' (Delete) are provided for each course. A pagination bar at the bottom indicates '共4条' (Total 4 items) and '10条/页' (10 items per page).
