The screenshot shows the 'EduMatrix 智核' management interface. A '新增章' (Add Chapter) dialog box is open in the foreground. The dialog contains the following fields and controls: a '名称' (Name) input field with the text '一、课程介绍'; a '知识图谱ID' (Knowledge Graph ID) dropdown menu with '选择知识图谱' (Select Knowledge Graph) selected; a '排序' (Order) field with a value of '0' and '+'/'-' buttons; and '取消' (Cancel) and '保存' (Save) buttons at the bottom. The background shows a sidebar with navigation options like '系统管理', '基础设备', 'AI教学', '设备管理', '版本管理', '课程管理', '课程列表', '教学管理', and '导航栏管理'. The main content area is dimmed, showing a table with columns for '章节' (Chapter), '名称', '状态', and '操作'.
